***STUDENT* REQUEST FOR EVIDENCE**

IMPORTANT: THIS NOTICE CONTAINS YOUR UNIQUE RECEIPT NUMBER. THIS PAGE MUST BE SUBMITTED WITH THE REQUESTED EVIDENCE.

You are receiving this notice because U.S. Citizenship and Immigration Services (USCIS) requires additional evidence to process your form. Please provide the evidence requested on the attached page(s). Include duplicate copies if you are requesting consular notification.

Your response must be received in this office by October 18, 2019.

Please note that you have been allotted the maximum period allowed for responding to a Request for Evidence (RFE). The time period for responding cannot be extended. See Title 8 Code of Federal Regulations (8 CFR), Section 103.2(b)(8)(iv). Because many immigration benefits are time sensitive, you are encouraged to respond to this request as early as possible, but no later than the deadline provided above. If you do not respond to this notice within the allotted time, your case may be denied. The regulations do not provide for an extension of time to submit the requested evidence.

You must submit all requested evidence at the same time. If you submit only some of the requested evidence, USCIS will consider your response a request for a decision on the record. See 8 CFR 103.2(b)(11).

If you submit a document in any language other than English, the document must be accompanied by a full and **complete** English translation. The translator must certify that the translation is accurate and he or she is competent to translate from that language to English. **If you submit a foreign language translation in response to this request for evidence, you must also include a copy of the foreign language document.**

Processing of your form or benefit request will resume upon receipt of your response. If you have not heard from USCIS within **60 days of responding**, you may contact the USCIS Contact Center (UCC) at **1-800-375-5283**. If you are hearing impaired, please call the UCC TDD at **1-800-767-1833**.

Maintenance of Status

Additional documentation is required to establish that the beneficiary was maintaining a valid F-1 nonimmigrant status at the time of filing. Therefore, provide documentary evidence to establish that the beneficiary has, and continues to maintain, valid F-1 status.

Full Course of Study

To demonstrate that the beneficiary was maintaining a full course of study, you submitted a copy of the beneficiary's Form I-20. However, this evidence does not demonstrate that the beneficiary was engaged in a full course of study.

The types of evidence that you may submit include, but are not limited to:

- Copies of all pages of all SEVIS Certificates of Eligibility for Nonimmigrant Student Status (Forms I-20) issued to the beneficiary from the Maharishi University of Management;
- Official copies of the beneficiary's transcripts issued by the school;
- Copies of degrees and/or certificates issued to the beneficiary showing course completions;
- Receipts for tuition payments made by the beneficiary to the school;
- Receipts for books, parking passes, and school supplies, for the period of time that the beneficiary was a student at the school;
- The beneficiary's student ID for the school;
- The beneficiary's course syllabi or outlines for his program at the school;
- Documentary evidence to show that the beneficiary was physically attending the courses in which he was enrolled, including transportation receipts, confirmed transportation reservations, attendance records, etc.;
- Evidence of the beneficiary's U.S. residence (utility bills, rental contracts or receipts, etc.);
- Evidence showing the number of online or distance education class credits the beneficiary was/is enrolled in for each session, term, semester, trimester, or quarter of study, for the duration of the time he was a student at the school;
- Evidence to show the beneficiary is or was making progress toward completion of a program of study;
- Any other documentary evidence to establish the beneficiary has been engaged in a full course of study and working towards program completion.

Curricular Practical Training (CPT)

Since the evidence of record indicates that the beneficiary is or was participating in CPT, provide the following:

- The name of the course and course code in which the beneficiary is or was enrolled that requires CPT;
- Documentary evidence that immediate participation in CPT was required for the beneficiary's studies;
- Documentary evidence establishing both the beneficiary's current major and that CPT is/was an integral (essential) part of the beneficiary's degree program at the school;
- A letter from the beneficiary's CPT employer(s), explaining the beneficiary's job duties, pay, and period of employment;

Since the evidence of record indicates that the beneficiary is or was participating in Optional Practical Training (OPT), provide the following:

- Evidence demonstrating that the OPT is directly related to the beneficiary's major area of study; and
- Copies of all Employment Authorization Documents (EADs) issued to the beneficiary by U.S. Citizenship and Immigration Services (USCIS) for OPT.

It appears that the beneficiary was granted a Science, Technology, Engineering or Mathematics (STEM) extension, or has such an extension pending. Please submit the following documentary evidence to establish that the beneficiary complied with the additional reporting requirements:

- Copies of all reports submitted to the school's Designated School Official (DSO) regarding a change of legal name, residential or mail address, employer name, employer address, and/or loss of employment.
