Packaging Instructions

1. Use the "Print" feature from your browser to send each page to your laser printer.
2. Pack the items in a sturdy box using cushioning materials to keep them secure.
3. Remove or black out any old shipping label(s), including the original shipping barcode.
4. Seal the box with packaging tape.
5. Fold the new shipping label along the horizontal line and place in a plastic shipping pouch or completely cover the label on the box with clear shipping tape. Make sure the barcode portion of the label can be scanned.
6. Please dispose of any unused labels.
